Profile

Hey! Here's a little about me... I'm **Karthikeyan**, and I'm super excited about the world of computer science! I'm currently diving into my Bachelor's degree at Mangalam College, and I'm really passionate about learning new things. I've got a good handle on Python, Java, and C++, and I'm also exploring web development with HTML and CSS. And guess what? I've recently completed multiple web development courses! I'm a quick learner, and I love tackling challenges.
